Presenting	NorthShore University HealthSystem	NorthShore University HealthSystem is a comprehensive, fully integrated healthcare system with four award winning hospitals (Evanston, Glenbrook, Highland, Park, and Skokie) serving the Chicagoland area. NorthShore’s Centers of Excellence – Neurological Institute, Cardiovascular Institute, Kellogg Cancer Center, and Orthopaedic Institute – combine with 2,200 physicians and specialists along with Magnet recognized nurses to deliver leading edge care. At NorthShore, we’re not just here for you now. We’re helping you be ready for what’s next.	
Gold	Collective Resource, Inc.	Chicaloland's door to door food scrap collector, that gives you a clean bucket every time.	
	ComEd	At ComEd, our commitment to improving the environment involves continually assessing everything we do and looking for ways to be more efficient and more effective. Adding momentum to our mission, many of our efforts to be more environmentally conscious have been recognized by other organizations.	

[Evanston Bike Club](#)

The Evanston Bicycle Club has been a strong presence in Evanston and the North Shore for more than 25 years. Our members are a very diverse group, whose cycling interests range from short recreational rides to ultramarathon events, from rides to the coffeehouse to state-wide, week-long rides, and from loaded touring to criterium racing. No matter where your cycling interests lie, you can be sure to find one or more EBC members who shares your interests... and you may find yourself trying new things, thanks to other enthusiastic members.

[First Bank & Trust,
together with
Byline Bank](#)

We're excited to announce that First Bank & Trust is now part of Byline Bank. Together, we're better. The same commitment to our customers and the community, with greater resources to serve you.

[The Mike Nowak
Show](#)

The Mike Nowak Show with Peggy Malecki is all about growing things and greening the world. Our mission is to get the word out about a way of living and buying, of planning and working that we believe will change—and possibly save—the world. We focus on the environment, green living, green building, and green gardening. And we talk with the people who know about everything from native plants to power plants. Tune in Saturdays 10-11am and Sundays 9-11am on Evanston's 1590 WCGO, streaming live at www.mikenowak.net and on smart phone apps. Podcasts available on our website.

[Natural
Awakenings
Chicago Magazine](#)

Natural Awakenings is Chicagoland's premiere healthy living lifestyle magazine. We are locally owned, independent media focused on your interest in leading a more healthful and sustainable life. Available free in more than 1100 locations and online at www.NAChicago.com

[Evanston RoundTable](#)

We cover what matters...Evanston. An Evanston print and online newspaper giving voice to this rich and vital community. The RoundTable has published a newspaper every other week since February 1998. The paper is distributed to 15,000 homes and an additional 3,000 papers are bulk-dropped to more than 50 convenient locations throughout the community.

[Erie Family Health Center](#)

Erie Family Health delivers high quality care to over 73,000 medical patients and 12,500 dental patients in the language of their choice and with respect for their cultural values and beliefs. Nearly all of our providers are bilingual in English and Spanish. Our community-based health centers are portals to high-quality care—and a higher quality of life—regardless of a patient’s ability to pay.

[Green Edens Horticulture Services](#)

Green Edens, founded in Evanston in 2011, is a garden design and landscaping company owned and operated by women. We specialize in creating naturally beautiful surroundings for your home or business with perennial, edible and annual flower gardens. Wherever and whenever possible, we use native plant material to encourage the repopulation of local insects, birds and wildlife, bringing the natural balance back to our environment. We have just opened a retail storefront at 1402 Greenleaf St., featuring garden tools and accessories, seeds, art and gifts.

[Sunrun](#)

Sunrun believes there is a better, less expensive, cleaner way for families to power their homes. With Sunrun’s residential rooftop solar, storage and energy services, homeowners are saving money while dramatically reducing the amount of air pollution and carbon dioxide (CO2) they release into the atmosphere. After 10 years, Sunrun is still a steadfast believer in the power of the sun, and we aren’t alone. Continued, growing demand for our products and services proves that more and more Americans want better energy options. Our mission is simple – create a planet run by the sun.

[Greenwise Organic Lawncare](#)

"Greenwise is the leading organic lawn and landscaping company in the greater Chicago area. We restore yards and landscapes with services that prioritize the health of our families, our pets, and our natural environment. We challenge the idea that toxic chemicals are necessary, and we replace them with responsible choices that have a positive impact downstream.

We lead by example. By offering sustainable landscaping, we create a demand for it. As we continue to grow, we're forging a greener path for others to follow in our footsteps."

[Orangetheory Fitness](#)

We all want more. More energy. More strength. More results. Orangetheory is designed to give you that, and more. Our workout changes you at the cellular level, and is scientifically proven to give you a longer, more vibrant life.

[Pope John XIII School](#)

Pope John XXIII school provides an excellent education for preschool through 8th grade in a caring and diverse community.

[Rotary Club of Evanston](#)

As one of Evanston's leading charitable and service organizations, the Rotary Club of Evanston has provided countless hours of volunteer service and significant monetary support for a variety of local causes since it was founded in 1920. For more than 90 years, the club has divided its service to the community between hands-on, volunteer projects, and raising funds to help organizations and causes.

[State Representative Laura Fine](#)

Laura Fine is the Illinois state representative for the 17th district, a full-time position she began in January 2013. Representative Fine is committed to fiscal accountability, bringing integrity back to Springfield and most importantly, resolving our budgetary woes in a responsible and thoughtful manner. We must continue to implement policies that encourage business to grow and create jobs, strengthen education, and protect consumers and the environment.

[State Representative Robyn Gabel](#)

State Representative has represented the people of the 18th legislative district since 2010. Representative Gabel's main areas of focus are in ensuring the safety of our children, championing environmental and clean energy issues, guaranteeing the rights of women, reforming government to be inclusive and effective, and reducing and preventing gun violence.
